50. The Chair of the Appeals Panel Committee may, in appropriate circumstances, ask those present to provide additional information in writing after the hearing. If such request for further information is made, the Appeals Panel Committee will specify the time within which that information is to be provided.

Representation at Hearings

51. A party to a Reference may appear at any proceedings and may be represented by any person, whether or not that person is legally qualified.
52. However, the Appeals Panel Committee reserves the right to refuse to permit a person to represent a party at a proceeding if the Appeals Panel Committee is satisfied that there are good and sufficient reasons for doing so.

Disclosure

53. For the purpose of facilitating the hearing and the determination of a Reference, each party to a Reference must, within such timeframe as is directed by the Appeals Panel Committee, submit a copy of the Relevant Documents to the Appeals Panel Committee.
54. Upon submitting the Relevant Documents to the Appeals Panel Committee, each party to the Reference must:

Evidence

57. For the purpose of hearing and determining a Reference, the Appeals Panel Committee is not bound by the rules of evidence and may inform itself on any matter as it thinks appropriate.
58. The Appeals Panel Committee may receive and consider any material by way of oral evidence, written statements or documents, even if such material may not be admissible in evidence in civil or criminal proceedings in a court of law.
59. In determining a Reference, the Appeals Panel Committee shall apply the civil standard of proof – ‘on the balance of probabilities’ – in its administrative fact-finding role, requiring the Appeals Panel Committee to satisfy itself that a particular fact is more likely than not to be true.
60. The Appeals Panel Committee may control the evidence by giving directions as to:
 - (a) the issues on which it requires evidence;
 - (b) the nature of the evidence which it requires to decide those issues; and
 - (c) the way in which the evidence is to be placed before the Appeals Panel Committee.
61. A party may not without the permission of the Appeals Panel Committee present any written or oral evidence which has not previously been disclosed to all other parties to the proceedings (in the case of oral evidence, in the form of a witness statement or expert opinion).
62. The Appeals Panel Committee may dispense with the need to call a witness to give evidence if a witness statement or expert opinion has been submitted in respect of that witness.
63. Unless the Appeals Panel Committee otherwise directs, no witness of fact or expert shall be heard unless the relevant witness statement or expert report has been submitted in advance of the hearing and in accordance with any directions of the Appeals Panel Committee.
64. Unless the Appeals Panel Committee otherwise directs, all documentary exhibits of a particular class (e.g. correspondence, witness statements, documentary evidence, etc) shall be presented in bundles arranged chronologically, and any document contained in such a bundle shall be deemed authentic without further proof.
65. Any documentary exhibit whose authenticity is challenged shall be excluded from such bundles and shall be proved by such evidence as is appropriate to the circumstances.

Conduct of hearings

66. Every oral hearing in the course of proceedings shall be opened, directed and closed by the Chair, who shall be responsible for the proper conduct of the hearing.

67. The Appeals Panel Committee, or a Sub-Panel hearing oral representations, shall, so far as it appears to be appropriate, seek to avoid formality in its proceedings and shall conduct any oral hearing in such manner as it considers most appropriate for the clarification of the issues and generally for the just, efficient and expeditious handling of the proceedings.
68. Hearings before the Appeals Panel Committee or a Sub-Panel are not required to be in person and may be conducted:
 - (a) in Abu Dhabi, United Arab Emirates or at such other location as may be determined by the Chair of the Appeals Panel Committee or the Sub-Panel; and / or
 - (b) via telephone, video conferencing or any other electronic medium, at discretion of the Chair of the Appeals Panel Committee or the Sub-Panel.
69. The Appeals Panel Committee may, of its own initiative or on the application of any party, direct that a witness or a party, or the representative of a party, take part in any oral proceedings by way of video link or telephone conference in such manner as the Appeals Panel Committee may direct, and whether or not that person is physically present within the United Arab Emirates.
70. After the Chair has closed the proceedings, no further evidence or argument may be submitted without the consent of the Appeals Panel Committee.
71. The Appeals Panel Committee may determine all questions of fact and law that arise in any proceedings brought before it.

Public Proceedings

72. In relation to Reviewable Decisions, all proceedings and decisions of the Appeals Panel Committee shall be heard and given in public unless the Appeals Panel Committee decides otherwise.
73. In relation to Executive References, all proceedings and decisions of the Sub-Panel will be made in private and without a public hearing. Nothing in paragraph 73 limits the Regulator's discretion in section 252 of the FSMR to publish a decision notice, final notice or other notice in relation to the exercise of the Regulator's powers, and details about the matter to which such notice relates, in such manner as the Regulator considers appropriate.

Confidential Treatment

74. The Appeals Panel Committee on its own initiative or on the application of an Affected Person may order a part or all of a proceeding be in private and that information is to be treated confidentially and not disclosed publicly.
75. An application for confidential treatment shall state the grounds for objection to public disclosure and where applicable shall be accompanied by a sealed copy of the information for which confidential treatment is sought.

76. In determining an application for confidential treatment, the Appeals Panel Committee shall consider, so far as practicable:
- (a) whether the disclosure of information would in its opinion be contrary to the public interest;
 - (b) whether the disclosure of commercial information would or might, in its opinion, significantly harm the legitimate business interests of the undertaking to which it relates;
 - (c) whether the disclosure of information relating to the private affairs of an individual would, or might, in its opinion, significantly harm the person's interests: and
 - (d) the extent to which any such disclosure is necessary for the purpose of explaining the reasons for the decision.
77. Pending the determination of the application for confidential treatment, any materials in connection with the application shall be for the confidential use only of the Appeals Panel Committee, the Secretariat, the Affected Person(s), and any other parties to the proceedings and counsel, and shall be made available to the public only in accordance with orders of the Appeals Panel Committee.

79. Any interim order is subject to further order, direction or final decision of the Appeals Panel Committee or Chair.

80. If the urgency of the case so requires, the Appeals Panel Committee may make an interim order on the request of a party before the observations of the other parties have been submitted, and without notice to those other parties, but in such a case the Appeals Panel Committee shall require notice of the request and of the order to be given forthwith to all parties who are affected by the order, and any party who is so affected may request the Appeals Panel Committee to set aside or vary the order.
