1. **Introduction**

Abu Dhabi Global Market ("ADGM") was established pursuant to Abu Dhabi Law No. 4 of 2013 as a financial free zone in the Emirate of Abu Dhabi, with its own civil and commercial laws. ADGM offers market participants a world-class legal system and regulatory regime.

This Guidance has been written to guide registered entities in ADGM in relation to some of the filing obligations under the ADGM Companies Regulations and ADGM Commercial Licensing Regulations. This is only a guide and should be read together with the company’s articles of association and relevant legislation, in particular, ADGM Companies Regulations 2015, ADGM Commercial Licensing Regulations 2015 and any other relevant regulations and enabling rules. This Guidance only refers to the procedures that need to be completed in relation to the Registrar. It does not cover other requirements as set out in the relevant legislation (which includes contact with the court and other internal obligations that a company will need to carry out). Further advice from a specialist professional may be required. Information stated in this documents are subject to change without prior notice.

Please also note that based on the powers granted to ADGM Registration Authority by the Board of Directors of ADGM and provisions of Federal Law No. 4 of 2013 concerning Abu Dhabi Global Market, the Registrar has the power to request for any additional information, other than that stated on the application or forms and/or this Guidance, if the Registrar considers it appropriate or required. Section 16(5) of Commercial Licensing Regulations states that At any time after the application is received and before it is determined, the Registrar may require the applicant to provide it with such further information as it reasonably considers necessary to enable it to determine the application.

**Registration Authority Office**

The Registration Authority (the “Registrar”) is one of the core pillars of ADGM. The Registrar is an independent body, which has the powers to license and register the ADGM establishments. The Registrar’s office is located at 3rd floor, ADGM Building, Abu Dhabi Global Market Square, Al Maryah Island, Abu Dhabi, United Arab Emirates.

The Registrar’s main functions under Companies and Commercial Licensing Regulations

- Registration of ADGM establishments
- Registration of business names and maintenance of register
- Registration of post-incorporation documentation and event-driven filings
- Registration of changes in business name particulars
- Registration of changes in directors, officers, shareholders and share capital
- Enforcement, prosecution and strike off, dissolution or restoration of ADGM establishments.
- Cancellation of Commercial Licenses, amendment, suspension, etc.

**Opening Hours**

The Registrar’s office is open from Sunday to Thursday, 9:00am to 3:00pm and may be contacted during normal working hours at +971 2 3338888 or by email at ra@adgm.com
