## *Introduction*

Abu Dhabi Global Market (“**ADGM**”) is a broad based international financial centre, established pursuant to Federal Law No. 8 of 2004, Federal Decree No. 15 of 2013 and Abu Dhabi Law No. 4 of 2013 (“**ADGM Founding Law**”) as a financial free zone in the Emirate of Abu Dhabi, with its own civil and commercial laws based on the English common law. ADGM offers the local, regional and international business community a world-class legal system and regulatory regime.

This guidance (“**Guide**”) has been prepared by the Registration Authority of Abu Dhabi Global Market (“**ADGM Registration Authority**”) to support ADGM licensed persons as defined in the Commercial Licensing Regulations 2015 (“**ADGM Entities**”) to understand and assist compliance with ADGM’s work permits requirements.

This document provides an overview of the different types of ADGM work permits that ADGM Licensed Persons are required to obtain for both their employees as well as to individuals (non-employees) engaged by these entities to work in or from ADGM.

## **Legal Framework**

Federal Law No. 8 of 2004 exempts financial free zones and financial activities conducted within these zones from federal, civil and commercial laws. As the regulation of employment relationships is a civil matter, Federal Law No. 8 of 1980 on Regulation of Labour Relations does not apply in the ADGM.

The ADGM Board of Directors, in exercise of its powers under article 6(1) of the ADGM Founding Law, enacted the ADGM Employment Regulations 2019 (the “**Regulations**”), which applies to the ADGM and its authorities, as well as ADGM Licensed Persons and their employees.

This Guide should be read in conjunction with the Regulations and the ADGM Employment Regulations 2019 (Engaging Non-Employees) Rules 2020 (the “**Rules**”).

The Regulations and Rules are available on the ADGM website by following [this link](#).

There are two types of ADGM Work Permits. Work permits for employees and temporary work permits for individuals engaged on a temporary basis.

### **Part1:** **Work Permits**

An ADGM work permit is a document granting an employee of an ADGM Licensed Person permission to work in or from Al Maryah Island, the geographical jurisdiction of ADGM (“**Work Permit**”).

The ADGM Registration Authority is the sole issuing authority for Work Permits.

As per the Regulations, the ADGM Licensed Person shall be responsible for obtaining, maintaining and paying the cost of an employee’s work permit and, as applicable, the UAE residency visa and UAE identity card.

In order for an ADGM Licensed Person to obtain an employment visa and/or Work Permit for its employees, the entity must hold a valid establishment card and an E-Channels account with ADGM, for more information please email [accessadgm.cases@adgm.com](mailto:accessadgm.cases@adgm.com).

The Corporate Relations division of ADGM Registration Authority processes applications for Work Permits for employees of ADGM Licensed Persons through ACCESSADGM portal. For more information regarding the process of application, please refer to the ACCESSADGM portal or email [accessadgm.cases@adgm.com](mailto:accessadgm.cases@adgm.com).

ADGM Licensed Persons must obtain Work Permits when employing the individuals categorised below:

This category covers employees who are not UAE/GCC nationals and are sponsored by an ADGM Licensed Person. Employment visas for these employees shall be facilitated by the ADGM Registration Authority.

#### ***b. UAE & GCC Nationals***

UAE and GCC nationals are not required to obtain an employment visa; however, the ADGM Licensed Person must obtain a Work Permit for those employees that enables them to work on Al Maryah Island.

#### ***c. Golden Visa Holders***

This category covers individuals directly employed by an ADGM Licensed Person, and have been granted the long term Residence Visa as per the UAE Government Golden Visa Program (Cabinet Resolution No. 56 of 2018).
