ADGM TECH START-UP LICENCE
THE UAE ENTREPRENEURSHIP ECOSYSTEM

A THRIVING AND HIGHLY SUPPORTIVE BUSINESS HUB FOR START-UPS AND INNOVATORS

Entrepreneurs have the opportunity to grow and rapidly scale their business by gaining access to favourable regulations, a powerful regional economy and a highly skilled talent pool. As a thriving global business centre and trading hub, the UAE consistently leads the Middle East and North Africa (MENA) region in the World Bank’s annual Ease of Doing Business report and the Global Innovation Index.

We offer an attractive, efficient and supportive business environment for entrepreneurs and companies at every stage of their journey. Our independent jurisdiction, and our civil and commercial laws, apply the internationally-recognised English common law. Thus entrepreneurs, investors and stakeholders can retain peace of mind, as their business structures meet and grow in line with global standards.

ABU DHABI GLOBAL MARKET: ENABLING TECH START-UPS

Through partnerships with world-class academic and technology institutions, global accelerators and corporate innovators, investors as well as policy makers and government agencies Abu Dhabi Global Market (ADGM) is a unique platform that was established to enable, empower and support local and global businesses as they grow and flourish in the UAE and throughout the MENA region.

At ADGM, we provide businesses with a comprehensive suite of tools, services and support designed to meet the every need of a growing community. Our strong and comprehensive network of relevant government agencies, financial and legal expertise, industry mentors, professional service providers, business advisors and
training resources are available to start-ups and big businesses alike, ensuring all members have what they need to achieve their business objectives.

Our community of industry partners includes venture capital (VC) and investment firms such as Khalifa Fund and the Mohammed Bin Rashid Innovation Fund. ADGM is also home to Plug and Play, the world’s most active VC and accelerator, and KPMG Digital Village.

Together with our partners, we have developed a nurturing framework and community so members can truly thrive. By developing each other’s expertise, knowledge and business performance, the entrepreneurial ecosystem in ADGM, Abu Dhabi and beyond will continue to go from strength to strength.
ADGM INITIATIVES TO SUPPORT ENTREPRENEURSHIP

As part of our commitment to enable and empower the entrepreneurship ecosystem, ADGM launched both the Tech Start-up Licence and the Entrepreneurship Support Programme.

These initiatives provide yet more tools and facilities so start-ups and entrepreneurs can expedite their development and quickly unlock the benefits of the region.

ADGM’S TECH START-UP LICENCE

ADGM’s Tech Start-up Licence allows entrepreneurs to set up in the UAE at a very competitive cost with the need for a physical office.

With the Tech Start-up Licence, businesses can hit the ground running and take immediate advantage of ADGM’s community of advisors and business partners, its supportive environment and its internationally recognised legal and commercial frameworks.
