Introduction:

This document outlines the schedule of fees that are currently applicable for the services offered by the Registration Authority of ADGM.

- Fees for Registration and Incorporation are in US dollars.
- Government Services are charged in UAE Dirham.

Available Payment Methods:

Online Payments

Online credit card payment is only available to those applicants who have submitted applications through the Online Registry Solution. To access the solution please visit registration.adgm.com.

Credit Card

An applicant can visit our offices and pay using their credit card. Currently only Visa and Mastercard are accepted.

Bank Transfer

We recommend that payments are made to the Registration Authority using our secure credit card facility within the Online Registry Solution. You will be prompted to make a payment once you have completed the required fields in an application.

However, should an organisation wish to use the Bank Transfer facility to make payments for services, please adhere to the following guidelines to avoid any delay in processing your application.

1. Please inform a member of the Registration Authority of your intention to make payment via bank transfer for the specified service.
2. When completing the transfer, where possible please include within the reference for payment field:
 - Company name (of applicant)
 - Service that is being applied for
 - Once the transaction has been completed, please inform a member of the Registration Authority that this transfer has been successful, and if possible provide a copy of the receipt of transfer.

The Registration Authority will not commence processing of any application until such time that payment has been successful and received within the account. By following the above steps, any potential delays in tracing payments may be avoided.
